

Third Grade

December 2016

Upcoming Events:

Dec 7– Math-a-palooza

Dec 8 – Holiday Meal during Lunch

Dec 9 – Coffee Chat & Early Release

Dec 21– Winter Break

Reading

- We have been learning to stay mindful when reading by identifying various text structures.

Math

- We are finishing up our third unit in math focused on multi-digit addition and subtraction as well as rounding!

Writing

- We have chose an animal and we are beginning to create our own animal adaptations NF Book!

Notes from the teacher:

- ✓ Please be checking planners each night for homework! Homework is assigned Monday and is due Friday. Students have 4 pages per week of math and 30 minutes of reading.
- ✓ Remember to unload Friday Folders, and bring them back empty on Monday!
- ✓ As the weather changes please be sure that your child is appropriately dressed. :) Lockers can store extra layers during the day.

Problem-Based Learning

In the next few weeks we will be focusing on the overpopulation of elk in Rocky Mountain National Park, students will be working on finding their own solutions to this ecological issue! There will be various guest speakers and experts at Cherrelyn to consult during the month of December!
